

## ***Editorial***

*This 8<sup>th</sup> issue of the Journal of Global Economics and Business is addressing again remarkable regional and global topics in different branches of social sciences from economics, to business, finance, politics, administration, and other disciplines.*

*Again, there are precious articles written by fruitful academicians of different areas of specialisation in this issue. This issue searches and discusses the following topics: Bank of Industry, Crisis of Industrialization, Fraud Prevention and Detection, Balance of Payment and Foreign Direct Investment, Information and Communication Technology, Leadership for Industry 4.0., and Foreign Direct Investments Inflow.*

*Hope to see you in the next issue!*

*Kemal Ozden, Prof. Dr.*
