

Editorial

It is my pleasure to announce the 6th issue of the Journal of Global Economics and Business. I appreciate all contributors: particularly the authors for the scientific contributions, editors, members of the editorial team, publication and editing staff, and of course the readers.

This issue searches and discusses the following topics: Deposit Insurance and Credit Risk, Human Capital and Economic Growth, Poverty Eradication, Production Theory in the Agricultural and Service Sectors, Potentials of an Islamic Pension Fund, Cooperative Societies and Women Empowerment, Federalism in Comparison, Small and Medium Scale Enterprises.

Hope to see you in the next issue!
