

## ***Editorial***

*JGSS is proud of publishing the 2<sup>nd</sup> volume, the 5<sup>th</sup> issue. This was not an easy process, but the results are all satisfactory. It is very nice to connect academics with the leading online platforms and indexes. All authors and the members of the editorial board share burden of this achievement.*

*Current issue of JGSS has many interesting topics from international relations to political economy, from the public administration to education. Main topics of this issue are; Global Politics and Security Implications of Foreign Aids for African Development, The Role of Public-Private Partnership (PPP) on Infrastructural Development, Media Systems and Operations in Nigeria's Democracy, and Determinants of Consumption Expenditure.*

*Hope to see you in the next issue.*
